

19th January 2011

Dear Mitchell,

We are writing to thank you & your team for the wonderful work you did last week on resurfacing our driveway. Your detailed quotation was most competitive in price & the finished job far exceeded your original quotation without any increase in cost. Your amendments to our original specification have greatly improved the appearance of the drive and are much appreciated.

Please convey our thanks to your team,

Yours sincerely,

Bob & Betty Pickles
