I have been asked by Mr Curtis Mitchell of Roefield Asphalt to give the company a reference.

Roefield Asphalt has twice resurfaced the drive way for the above mentioned house.

I am happy to give them a reference: they did the work on the agreed date; the whole operation was overseen by Mr Curtis who employs helpful and efficient staff; they were clean and tidy and the work was carried out to a high standard. Their pricing for the job has always been fair.

I am very happy to recommend them to others and I am sure the job will be properly attended to.

Yours faithfully,

J M Sinclair
